

# Val Drôme Soleil Directions

The campsite is situated 27 Km from the motorway A7 ('Autoroute du Soleil') in the South-East of France, between Lyon and Marseille. Take exit Valance-Sud or Loriol, towards Crest/Die. After passing Crest, follow signs to Die. Pass the village Mirabel et Blacons, cross the river Drôme and take the second road on the left (D617) after the bridge. This is just opposite a car park, where you can admire the view over the river.

The road is marked 'Vallee de Charsac' and 'Val Drôme Soleil'. Continue until the sign 'Sans Souci', then turn right. The 'Val Drôme Soleil' signs will guide you to the campsite.

By the owners' house you take a sharp right onto the newly surfaced and widened access road to the campsite. The road ends at the Val Drôme Soleil car park.
